

Message from the President

A topic of discussion at the last couple of board meetings has been the subject of whether to allow former Singles Club members who have gotten married to attend most events. With that discussion has come the suggestion that perhaps a provisional membership of sorts could be instituted. We have bylaws directing these things, and a change in bylaws is required. That change requires board discussion, a vote by the board, presentation to the membership, and a vote by the membership, which will take place at the Annual Meeting in January. The board did approve a trial of allowing our married friends to attend events at the June meeting. However, it has been brought to my attention that this in violation of our bylaws.

Within the last 3 years, married former members have been allowed/ invited to attend our dances. So, for the rest of the year, the board has approved that married former Singles Club members are allowed to attend Singles club events until January, when the subject will be up for a vote by the membership at the Annual Meeting in January.

There has been some heated discussion about this, and welcomed as the board's duty is to carry out the will of the membership. We need to know your thoughts and opinions about this matter. Your thoughts and opinions may be expressed by contacting a board member or attending a board meeting. The next meeting is September 12 at 6pm at the Bettendorf Library. Board members are listed on the website.

To avoid dissention and ill feelings within the membership caused by this matter, I feel that it needs to be discussed and voted on as soon as possible, and that means before January. There will likely be a postcard vote in October on this matter.
